Dear Judge Carter,

I have been recently released from prison as of August 5, 2015. Since I've been home, I have been unable to secure a stable residence. I was first released to the shelter system, four in total, along with two rental room residences.

I have been up to date with all previous deadlines, but due to the circumstances after my release and residence instability, I have been unable to comply with the court orders.

I am both requesting and praying that this court grant me the opportunity to reply any and all motion orders that I have missed.

I truly apologize for any inconvenience that I may have caused this court, and do hope this court allows me to continue my suit.

Thank you for your time and attention in this matter and I hope to hear from the court soon.
